- 1. Straight from the home screen you can send messages to our office and we will respond back to you as soon as possible.
- 2. You can also view upcoming appointments. To view more details about the appointment you can select the blue font.
- 3. Select "Complete Health History" to fill out your GYN, Past Medical, Social, Family and Surgical histories as well as inform us of any allergies you may have. All of this information can now be completed online prior to coming into our office and our nurses and providers will then have access to this information so that they can review it with you during your visit.
- 4. Select "Go Paperless" if you would like to only receive eStatements rather than receiving your statements in the mail.

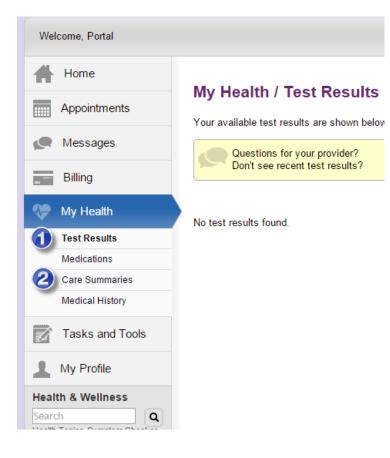

- 1. Navigate to the Appointment menu on the left side of the screen to view upcoming, recommended and past appointments with our office.
- 2. You can also request an appointment from this screen and send a message to our staff letting them know you would like to schedule a visit.
