## Moms have a choice

- Moms can choose between the Hygeia, Medela or Spectra breast pump.
- If they choose the Hygeia, every mom will receive a cordless, hospital-grade performing pump. Most moms will receive an extra accessory set at no cost.

## Moms must confirm order to get a pump

- Moms must respond to our text message or call and confirm that they want a breast pump or we will not ship it out.
- This program is contracted with most insurance plans. If mom has an insurance plan that is not covered, we will let her know.
